

Creation

To make a good impression and provide the necessary information to your customers you can not do without a website, a showcase. The creation of a website should be your priority.

Showcase web site

Site e-commerce

<p>Present your information and products without the possibility of purchase. 5-10 configured pages and you can put for yourself an unlimited number. 1 contact page with form. Access to an easy editing tool and creating pages for beginners. Graphic design adapted to your company's image. Internet referencing with defined keywords and work on the architecture of your site with a technical optimization.</p>	<p>Presentation of your company with opportunity to sell your products. Has the same characteristics of the informative site. Everything you need to present and sell your products professionally. Up to 10 products configured as an example and you can put for yourself an unlimited number. The products offered for sale may be added by you without charge or we can take care of an additional 1 to 2\$ per product.</p>
<p>295\$ CAD, one time fee Hosting 9.95\$/mois <u>Example</u></p>	<p>1995\$ CAD, one time fee hosting from 9.95\$/mois <u>Example</u></p>

Do not forget to add a service of [referencing SEO](#) to increase your visibility if you want.
